Dear Shareholder:

Re: Shareholder Consent to Issuance of Common Shares to Victoria Gold Corp. ("Victoria Gold") in Consideration of the Acquisition of all outstanding securities of StrataGold Guyana Inc. ("SGI")

We refer to our recent news releases dated March 5th and March 17th announcing and updating details with respect to, among other things, Takara's acquisition (the "Acquisition") from Victoria Gold of all of the outstanding securities of SGI, all as more particularly described in Takara's Filing Statement dated March 12, 2010, prepared in accordance with the policies of the TSX Venture Exchange (the "Exchange"). SGI is a private Guyanese company that holds title to the Guyana Gold Projects, namely: (i) the Tassawini Gold Project; and (ii) the BRL Venture. The news releases and the Filing Statement have been electronically filed with regulators and are available for viewing through the Internet at the Canadian System for Electronic Document Analysis and Retrieval (SEDAR) at www.sedar.com or at our website www.takara.com.

We have received conditional approval from the Exchange for the Acquisition, subject to a number of conditions being satisfied, one of which is receipt of written consent to the Acquisition from a majority of Takara's shareholders - other than Victoria Gold, its insiders, associates and affiliates - holding a simple majority of Takara's outstanding shares.

We confirm that, at present, the Exchange has in no way passed on the merits of the Acquisition and related transactions, nor is there any assurance that the Exchange will give its final acceptance to the Acquisition.

We hereby request your consent to the Acquisition by completing and signing the attached form of Certificate and Consent, and returning the signed document to us by any of the following means:

By e-mail: info@takararesources.com

By fax: (647) 430-5676

By post: #508 - 80 Richmond Street West

We look forward to receiving your signed Consent as soon as possible and, in any event, ***no later than March 26, 2010***. Thank you in advance for your continuing support.

Yours truly,

Takara Resources Inc.
